NOTE.

Dated... 7th February 1917.

Miss Park saw me to-day and told me that she had an idea of going to serve in the War Hospital in Bombay to look after the soldiers who arrive at that port. She wanted to know whether her services could be spared and what leave allowances she would be entitled to.

I have suggested that she -
~~might~~ write to the Inspector General of Education and ^{promised} ~~told~~ her that Government will consider her request and send a ~~reply~~ promptly. *2/17*

The Secretary, E & A, should be good enough to treat ^{the applicant} the matter as urgent and get the papers dealt with by Government very promptly.

SIR,

I have the honour to forward herewith, for the favourable consideration of Government, a letter from Miss A. Park, Special Officer for the Organization of Kindergarten Instruction in Girls' Schools in the State, requesting that she may be permitted to take up work, outside the State, in connection with the War and that during her absence which may last for a year or more, she may be granted an allowance from the State.

I may add, for the information of Government that Miss Park is not entitled to any privilege leave as she returned only recently from one month's privilege leave from 2nd January 1917. But, however, as she has rendered a little over six years' active service from 1st July 1910, the date of her entertainment in the State, she is entitled to leave on private affairs for 6 months, on half her average salary, in accordance with sections 202 and 205(b) of the Mysore Service Regulations. The grant of this leave which is also in accordance with Government Order No. G.9327-75-G.P.4-15-33 dated 4th January 1916 regarding - - leave to officials mobilized for regimental duty, will, however give - - Miss Park an allowance for 6 months. As for the remaining part of her absence, the regulations do not permit the grant of any allowances, and I can only commend the matter for the generous consideration of Govern-

89
Government. I understand from Miss Park that her allowances in her new sphere of work will be just enough for her food and lodging.

from the Mysore Province possibly
for twelve months or even more.
I have therefore, the honours to ^{request}

under which leave would be
granted to me. My circumstances
are such that it would be
impossible for me to afford
to go on leave without
allowances & unless I keep
a lien on my appointment.
